PLAINTIFF’S MOTION TO REMAND

Plaintiff Jackson County, Missouri (“Plaintiff”), by and through undersigned counsel, and pursuant to 28 U.S.C. § 1447(c) and 1453(c)(1), hereby moves this Court for its Order remanding this action to the Circuit Court of Jackson County, Missouri, at Independence. In support of its Motion, Plaintiff states as follows:

1. On November 5, 2015, Plaintiff Jackson County, Missouri, filed its Class Action Petition commencing this action in the Circuit Court of Jackson County, Missouri, at Independence. (*See* ECF No. 1-1.)
2. Defendants Trinity Industries, Inc., and Trinity Highway Products, LLC, were served with Summons and the Petition on December 2, 2015. (*Id.*)
3. On January 4, 2016, Defendants filed their Notice of Removal by Defendants Trinity Industries, Inc., and Trinity Highway Products, LLC. (ECF No. 1.)
4. In their Notice of Removal, Defendants assert traditional diversity jurisdiction under 28 U.S.C. § 1332(a) as the sole basis for removal. (*See* ECF No. 1, ¶ 9.)

5. Plaintiff moves to remand on the grounds that the amount in controversy on Plaintiff's claims does not exceed the sum or value of \$75,000.00, exclusive of interest and costs, and this Court thus lacks subject matter jurisdiction over this action.

6. Plaintiff's Motion to Remand is filed within thirty (30) days of Defendants' filing their Notice of Removal and is, therefore, timely pursuant to 28 U.S.C. § 1447(c).

7. In further support of this Motion, Plaintiff incorporates and restates its Suggestions in Support of Plaintiff's Motion to Remand, which is filed contemporaneously herewith, as though fully set forth herein.

WHEREFORE, for the reasons set forth above and in the Suggestions in Support of Plaintiff's Motion to Remand, filed contemporaneously herewith and incorporated herein by reference, Plaintiff Jackson County, Missouri, prays that the Court enter its Order: (a) remanding this action to the Circuit Court of Jackson County, Missouri, at Independence, the State court from which this action was removed; (b) awarding Plaintiff its just costs and actual expenses, including its reasonable attorneys' fees, incurred as a result of the removal; and (c) awarding Plaintiff such other and further relief the Court deems just and proper.

DATED this 22nd day of January, 2016.

Respectfully submitted,
